

Pension Income, LLC

A marketplace for the sale and
purchase of Income Streams

We find pensioners who are willing to sell 8 years (96 months) of their income.

Sellers are typically retired military.

You find the buyer.

One to one deals - one buyer , one seller

Buyer gets 6 to 8% return (due to discount)

Agent gets annual fee or 9% up front

No licenses required

Not correlated with the market

Money coming from the federal government

Like an 8 year immediate annuity or structured settlement.

Perfect front end of a split bucket strategy

Ask your prospect how much income they need from savings.

Buy Pension Income stream that matches their income

Rest of savings can be invested long term (not needed until after 8 years)

Safe

High yield

Low risk (less risk than an annuity)

16 year history

A great fixed income option
