

RAYMOND JAMES®

We Believe True Independence Should Be Supported.

Raymond James was established in 1962 with a commitment to the needs of individual clients and the freedom of their advisors above all else. This principle has grown into a corporate culture centered on independence and driven by associates who work to support both the capabilities and objectivity of the advisors we serve. When you affiliate with Raymond James as an independent commission or fee-based advisor, you enjoy something virtually no other firm can offer: all the rewards of running your own practice along with all the resources of a full-service, self-clearing New York Stock Exchange-member broker/dealer. You'll exercise the full freedom of independence – doing things your way, working closely with your handpicked staff, structuring day-to-day operations to suit your daily life and much more – while having full, direct access to the industry experts and proven strength of Raymond James.

A public company since 1983, Raymond James Financial (RJF) is a diversified financial services firm listed on the New York Stock Exchange. As the parent company to several broker/dealer and affiliate firms, it offers a broad spectrum of investment
