

Investors Capital Corporation

A premier independent broker/dealer

Get Up to 25% Upfront, Personalized Practice Management, 5-Star Service Every Day, And A Firm That Lets You Be You

For you to jumpstart your practice and increase your production, you need two things:

- 1) Referrals from existing clients
- 2) Prospects from networking/marketing activities

Our personalized Practice Management initiatives, resources, and coaches can help you achieve both.

2X Workshop

Hosted by our top producing advisor from 2013, you'll learn his proven 8 steps to growth, success, and doubling your production. That's why we call it 2X.

BlueFire Symposium

Our 2-day, holistic Practice Management symposium held 3 times per year. Get training and coaching on business and marketing planning, branding, advisory, technology, sales, product, and execution. Everything you need to ignite your production is at BlueFire!

One-On-One Coaching

Get professional coaching to help you achieve your goals. Sessions conducted by phone or face-to-face.

Robust Web Tools And Resources

Visit the Practice Management page of CapitalCONNECT, our advisor

website, to create your vision and mission statements, value proposition and more. Determine your niche markets. Work on marketing planning, branding, prospecting, client service, referrals, networking, seminars, events, succession planning, and more.

Annual Women's Conference

Share business-building ideas, solve your most pressing business issues, build camaraderie with fellow female advisors, and learn how to grow your practice. All from a woman's perspective.

Weekly Practice Management Emails

Get business-building tips, best practices, and case studies on how to grow your practice pushed to your Inbox weekly.

2X Conference Calls And Webinars

Learn from our top advisors and in-house experts on conference calls and webinars designed to help you double your production.

Social Media, High-End Design, Copy, And Fulfillment That Works

LinkedIn profiles, brochures, stationery, web pages and sites, print ads, direct mail pieces, press releases, and more. Get professional design, copy,

and social media that always presents you in the best light to clients and prospects and is proven to work.
