YTD Net Launches	92

After a quiet summer, the number of newly launched ETPs in September dramatically jumped to 28. Nevertheless, the third quarter was the slowest of the year, with a total of just 47 new launches.

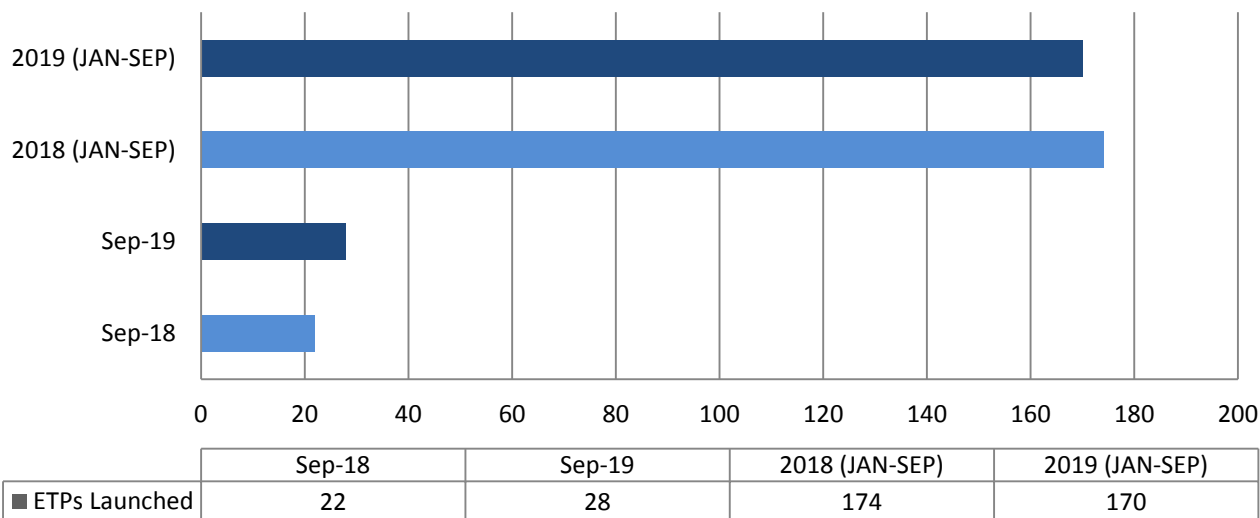

During September, the most active issuers were Avantis (five funds), Invesco (nine funds) and Overlay Shares (five funds).

Since the start of 2019, a gross total of 170 new ETPs have been launched from January to September, slightly lagging the same year ago period when a total of 174 new ETPs debuted.

Taking into account the 78 ETP closures thus far this year, a net total of 92 ETPs have been introduced in 2019.

For September, NYSE Arca led all exchanges with 18 ETP listings while Nasdaq added 10 new products. ■
