

Life is full of possibility now and for future generations. Choosing the right trust professionals to help you manage and preserve your family's wealth is a critical step. **FIRST PREMIER BANK** is a community bank that provides deep expertise, where our trust professionals offer decades of experience. Our bank enjoys a position of unparalleled financial strength, and a plan for ownership stability and institutional longevity that reaches beyond the foreseeable future. Wealth built to serve generations does best in the care of a corporate trustee built to serve generations.
